Volume II

KEY TO THE FUTURE . . .

As we of Thomas Jefferson pursue our quest for knowledge, we are really casting a master key which will open the doors of opportunity to the future. It is very important that we take proper care in casting this key, for the more versatile it is, the more perfect our later lives will be. We must study and prepare ourselves thoroughly so that, when the time comes for us to proceed through the first door that is opened to us, we may take a firm step forward, knowing that we are capable of overcoming any obstacle that may confront us. Truly, our whole success in the profession, business, or field of work we choose depends upon the foundation of learning we build here.

Our first Senior Class, now nearly finished with the preliminary education, is almost ready to apply what has been learned in the four years of high school. Each of the members has been shaping a key, you might say, forged of experience and knowledge, which will decide the successes or failures to be found behind the doors of opportunity in his future. The different keys discovered among our Seniors reflect the varying amounts of diligence put into their school work and their activities. Whether any of the keys are perfectly cast or not depends upon how well each has availed himself of the profitable lessons of their high school career. It is the sincere hope of the DOCUMENT Staff that each person in this first Senior Class of Thomas Jefferson High School will graduate knowing that he has done his best to make ready to use his key to find success in the future.

As you turn through the pages of this 1958 DOCUMENT, you will find many reminders that there are doors to be opened in your future . . . doors that may possibly lead to prosperity. We of the annual staff have put many long and arduous hours into preparing a yearbook of which you, the students whom we serve, will be proud. It is my sincere hope that each of you . . . especially the Senior Class . . . may realize the full import of the doorway: that behind the doors of opportunity lie success, security, and happiness.

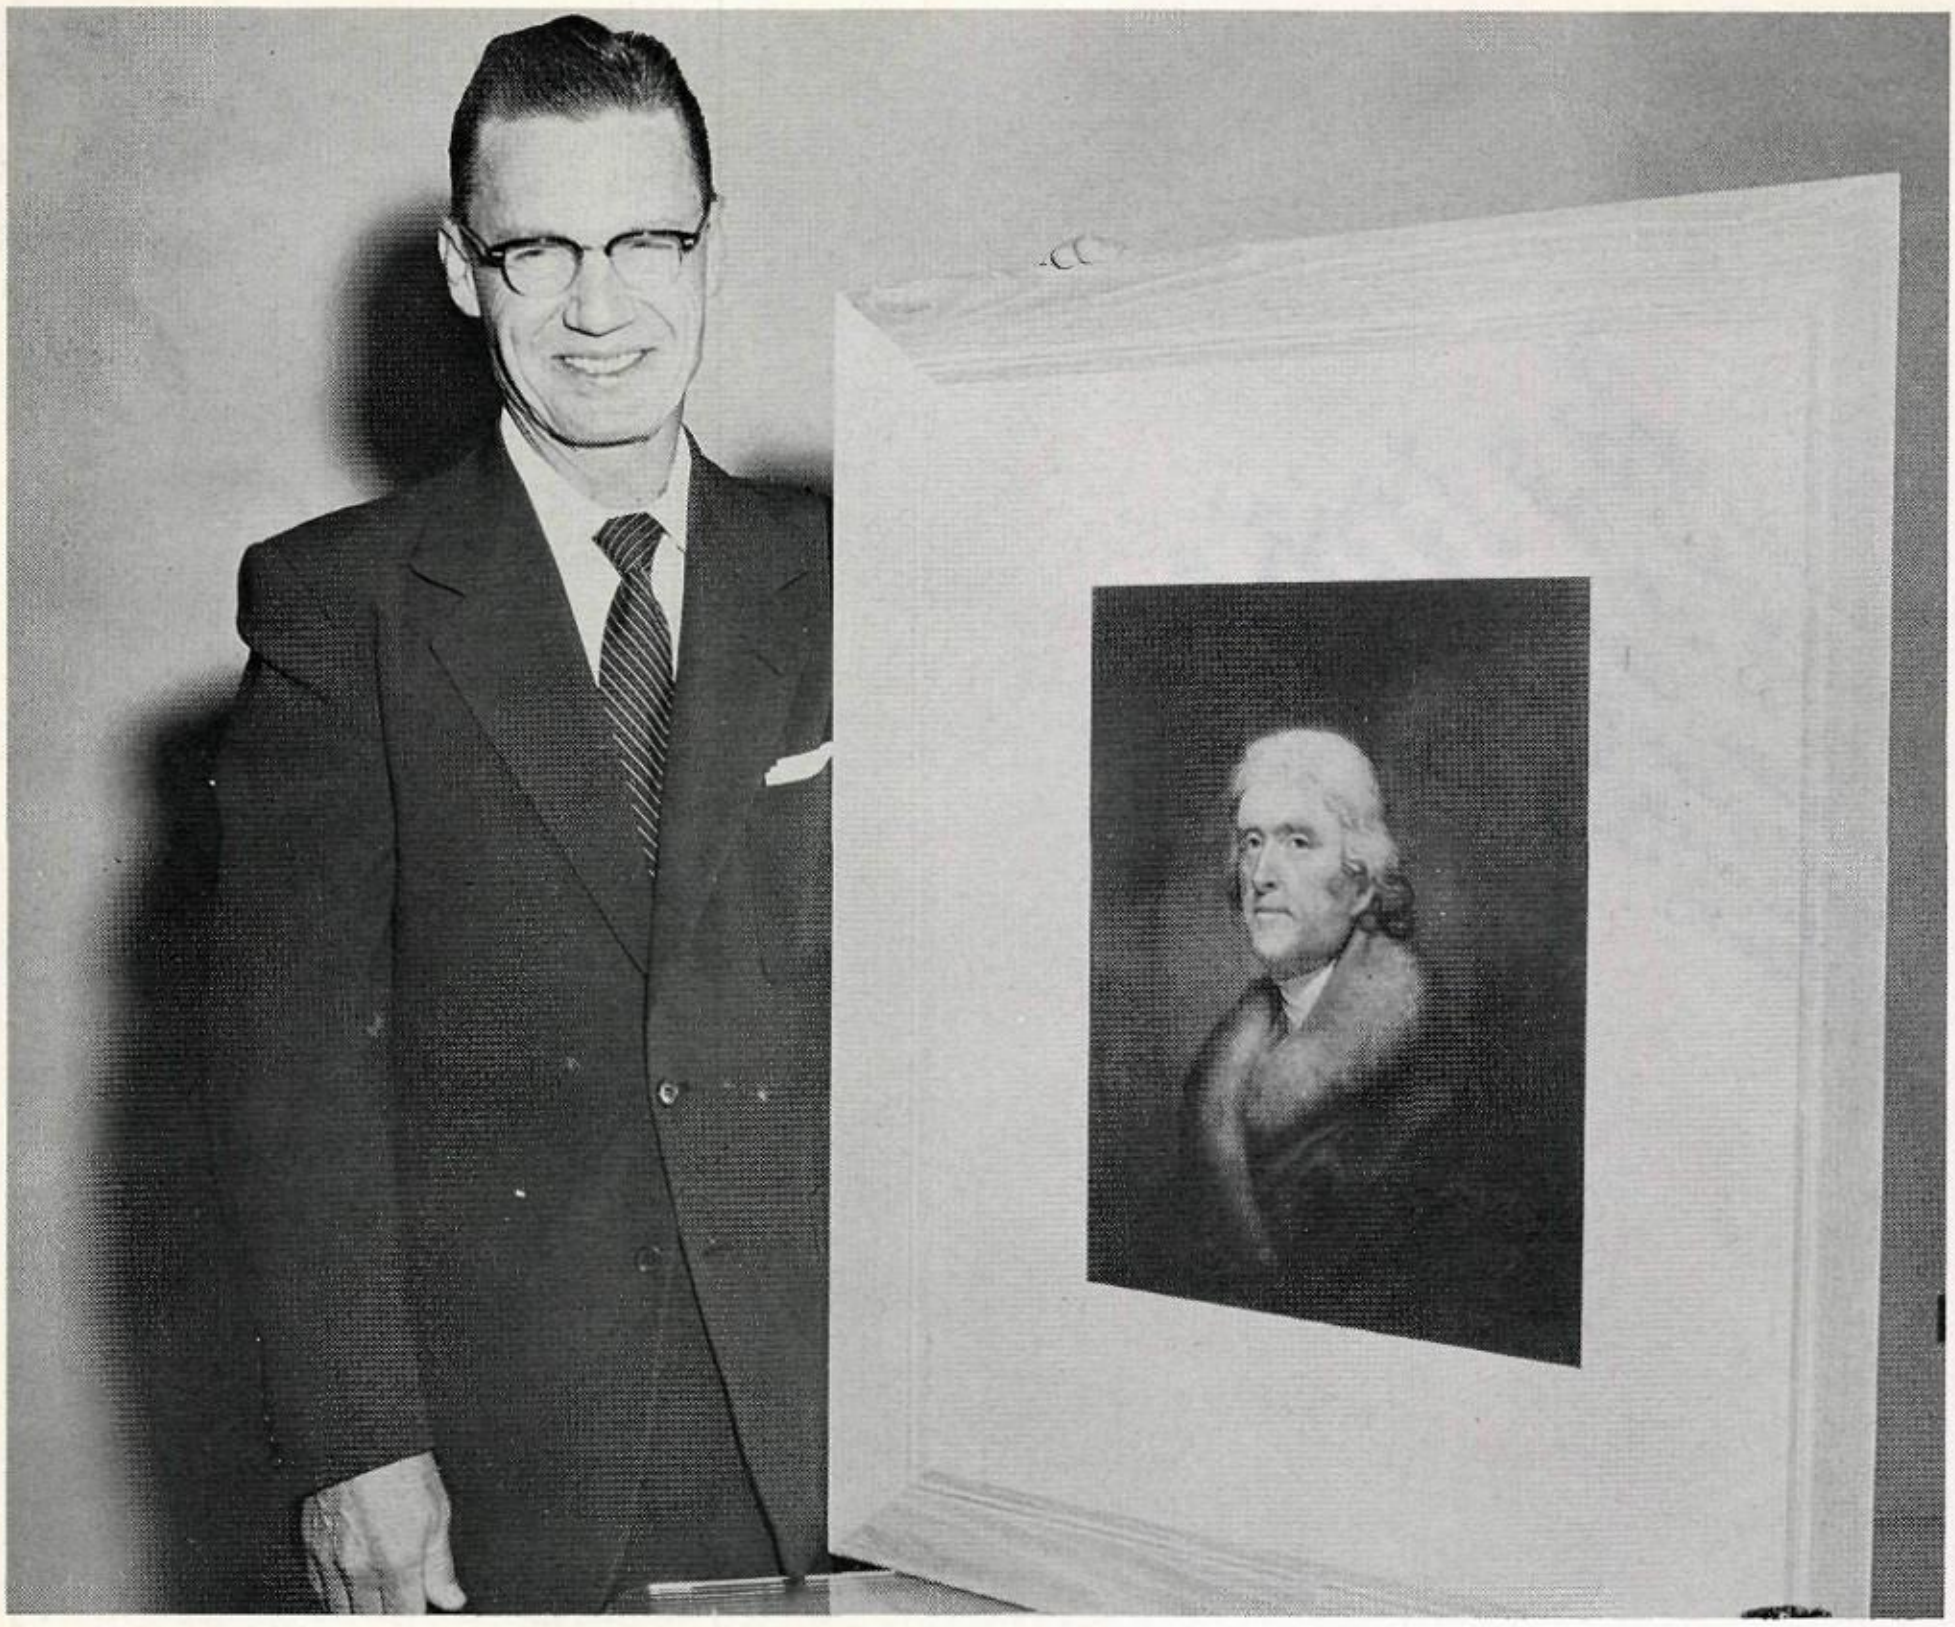
TO . . .

THE FIRST SENIOR CLASS OF THOMAS JEFFERSON HIGH SCHOOL

Who have established worthwhile traditions for future Rebels to follow proudly.



Mr. Stroud shows the fine portrait of Thomas Jefferson, donated to the school by Judge Charles E. Long.

KEYNOTE MESSAGE

FROM THE PRINCIPAL

The theme "doorways to the future" seems particularly appropriate to me for the first Senior Book of Thomas Jefferson. Certainly here we have endeavored to provide that "key" which will open the doors of opportunity for our graduates. It will be interesting to see how these, our first venturers into the world, find themselves equipped. The example which they set will, of course, have a bearing both upon their own future and upon that of Thomas Jefferson.

May there be for each of these Seniors, and for those who follow them as well, the "key" to a successful life.

Richard E. Stroud

Left to right: R. B. Gilmore, R. L. Dillard, Jr., Vann M. Lamm, Mrs. Tracy B. Rutherford, Dr. Edwin L. Rippy, *President;* Dr. W. T. White, *Superintendent of Schools;* Franklin Spafford, Mrs. Vernon D. Ingram, Rouse Howell, W. A. Blair.

THE SCHOOL BOARD

Since 1884, the Dallas Independent School District has been under the direction of a Board of Education, composed of civic-minded citizens elected to serve without remuneration to supervise the education of the youth of the community as completely as possible. The School Board controls the budget, contracts for building and expansion of the educational plants, participates in national educational programs, and studies the needs of the child in relation to the community itself. Dallas has been extremely fortunate in having many capable governing bodies, such as the one pictured above, to direct these activities.

The difficult task of administrating the many and varied activities of the Dallas Independent School District rests upon the capable shoulders of those pictured below. It is due to their foresight in the planning for an expanding community of students, their sensitivity to the needs of the child as an individual, and their sense of obligation to the building of democracy through its future citizens, that the Dallas school system has been adjudged one of the most successful in the country.

THE BOARD OF ADMINISTRATION

First row: Dr. Frank L. Williams, *Assistant Superintendent in Charge of Instruction;* Dr. W. T. White, *Superintendent of Schools;* Dr. Ewell D. Walker, *Assistant Superintendent in Charge of Personnel. Second row:* T. W. Browne, *Assistant Superintendent in Charge of Business;* R. H. McKay, *Assistant Superintendent of Charge of Administration;* Don E. Matthews, *Assistant Superintendent in Charge of Special Services.*

TORBETT W. CROFT
Assistant Principal

Thomas Jefferson is extremely fortunate in having such a capable staff to aid the principal in the administration of school affairs. Mr. Croft, our Assistant Principal, in addition to his administrative duties, keeps track of the varied extracurricular activities and maintains an atmosphere of order and cooperation in the school.

EDITH COOPER
Dean

Attendance is the special province of our popular Dean, Mrs. Cooper, who also supervises the social life of the school, counsels with the girls, and works with the P.T.A.

LILLIE MAE GEORGE
Counselor

The duties of a counselor are, of course, quite varied, but Mrs. George manages to see that the seniors graduate, the underclassmen have the proper courses, and all students receive counseling on their curriculum problems.

MARIE L. BROWN
Secretary

Need a bus card, a lost book, a question answered, or some other semi-impossible problem solved? Mrs. Brown, our capable secretary, is the person to see, for she keeps the principal's office functioning smoothly and efficiently.

OFFICE STAFF

STAFF MEMBERS

Mrs. Ida Parker, Mrs. Velma Templemeyer, Mrs. Opal Gibson, and Mrs. Ann Morrow staff the library and office. Without their capable assistance in keeping attendance, tardies, records, and books, Thomas Jefferson could not have such efficient administration.

. . . Formulae and equations are old friends to Thomas Jefferson's mathematics students, who have the opportunity to become proficient in algebra, plane and solid geometry, trigonometry, and commercial mathematics. In every case, the curriculum is intended to illustrate the value of mathematics in practical application. An introduction to calculus and analytical geometry is this year being presented in an accelerated section, an experimental course of which Thomas Jefferson is justly proud.

SCIENCE

E = mc^2 . . . H_2O . . . *phylum, genus, species* . . . with the present emphasis on scientific studies, the science program must play an important role in fitting today's student for his place in the modern world. At Thomas Jefferson the curriculum is designed to do just that. A basic knowledge of the various fields of natural science is offered in the beginning years; biology, physics, and chemistry provide a more specific training for the advanced student.

DEPARTMENT

Thomas Jefferson has more sections of chemistry than does any other Dallas high school. The course itself offers studies in organic, quantitative, and biochemical fields. Physics, the study of the nature of matter and energy, embraces the fields of acoustics, optics, thermo-dynamics, electronics, and magnetism, as well as nuclear and atomic physics. The biology course is presented from an ecological approach, with emphasis on human inter-relationships in the world of nature. There is also some history and philosophy of science included, as a foundation for later studies, as well.

"And this is where sputnik comes in!" says Mrs. Horn to her budding scientists.

Courses in American and English literature are offered in the junior and senior years, based upon a general foundation of grammar and literature begun early in the student's course of study, with these aims as the ultimate goal.

The aquisition of fundamental skills and basic vocabulary is stressed in the beginning years, while third- and fourth-year courses build toward an appreciation of the literature. Fourscore and seven years ago our fathers brought forth upon this continent, a new nation . . . Thomas Jefferson offers a comprehensive program in social studies with the ultimate aim of developing in the student an understanding of the world in which he lives; a comprehension of his country—The United States—its history, its government, and its dreams of the future; and the development of a loyal citizenship and desire to participate in the affairs of his country. The course offering includes World History; American, Texas, English, and Latin American History; Advanced Civics; Problems of Democracy; each of these is designed to equip the student to cope with the problems he will face in life.

Governing body of Thomas Jefferson is our omni-present Student Council, composed of representatives from every homeroom. The supervision of all activities of social nature, the approval of organizational activities, and the improvement of relations with other schools come within the province of the Council. There is much interest in the development of student self-government, a goal for the future. All in all, the Council aspires to be the coordinating factor in an efficiently run school.

NATIONAL HONOR SOCIETY

The National Honor Society has four ideals: Service, Leadership, Character, and Scholarship. There ideals are the foundations upon which this society was begun and will continue to grow. The Thomas Jefferson branch of the National Honor Society is composed of very select junior and senior students who strive to live up to these ideals, thus setting an example for the school. Election to the National Honor Society is indeed the highest ideal to which a student may aspire.

KEY CLUB

The Key Club is our boys' service organization here at Thomas Jefferson. One of their worthwhile activities this past year has been to paint numbers in each space of the teachers' parking lot and to assign each teacher a regular parking space. With this and other useful projects and social functions to their credit, our Key Club has become an important part of the school's extracurricular program.

"Let's see . . . that's spelled 'Blfzksp'." Identifying gobs of people is one of the chores shared by Ann Stooksberry, Nancy Akridge, Diana Gibson, and Barbara Walker.

DOCUMENT

Amid the mass confusion of photographs, write-ups, and other miscellaneous junk, your hard-working (sometimes) Document Staff has come to near-insanity trying to organize these odds and ends into a yearbook that will recall for you in the future many pleasant events of the past. While working hurriedly and feverishly to meet deadlines and biting our already stubby fingernails to the very bone, we have attempted to make this Second Edition of The Document an annual representative of the everyday lives of the students of T.J. With the cruel whip of our slave-driving sponsor continually hovering above our heads, you can be assured that you will be presented with a yearbook at the end of the school term which combines the best efforts of each staff member. Seriously, it is truly the hope of the Document Staff that you, the student, will be pleased with your 1958 *Document*.

Bill Proctor, *Editor*

(H) Art Department, hard at work. Amid thousands of hearts manufactured for the Valentine Dance, Cartoonist Vicki Chames and Art Editor Norma DePasqual incidentally try to put out an annual.

'Er . . . 1/16th page for Acme Toothbrush?" The Business Managers figure out if we can afford all this.

"MY picture's not big enough!" There are certain advantages to being on the staff, after all, as Bill Lewis and Bob Rippy discover in the sports section.

THE DOCUMENT AWARD

With the publication of the first edition of THE DOCUMENT, a tradition was established to recognize those whose contributions to its success proved especially outstanding. The DOCUMENT Award honors not only journalistic achievement, but also unselfish service and willingness to perform beyond that which is expected. Seven charter members were elected; in their honor, no more than seven elections in any one year will be recognized. It is hoped that each successive group will live up to the standard of excellence begun by the first, and continued by the 1958 awardees.

Reveille

Our newspaper, the Reveille, has just completed its second successful year of keeping the Rebels informed about the doings here at Thomas Jefferson. The Reveille comes out every two weeks amid flourishes and fanfare.

Behind the scenes, however, there are endless hours of writing copy, writing headlines, digging up last minute news stories, and, of course, getting everything to the printer. Despite all this, the staff still manages to produce an excellent newspaper for the Rebels.

Both of our offices are dependent upon the efficient student assistants who carry out the innumerable errands necessary to the administration of a school the size of Jefferson. Attendance office workers pick up the daily reports, deliver call slips, and answer the telephone; Mrs. Brown needs their help in answering the questions of students and parents, in conducting tours, in taking messages to teachers, and in typing and making reports.

THE LATIN CLUB

The Junior Classical League is an organization for the benefit of those people interested in the ancient Romans, their language and their customs. The Thomas Jefferson branch of the Junior Classical League was begun two years ago and has been steadily growing, until it is one of the largest clubs at Jefferson. Their lavish Roman banquet was March 11, where, amid Roman entertainment and revelry, the spirit of old Rome was awakened once more.

ENTRE NOUS

Entre nous translated from the French means "between us," or "confidentially." But the French Club does much more than merely translate French to English. Last fall when Neiman-Marcus celebrated "Paris in Dallas Week," Entre Nous took full advantage of the French exhibits available. They have also attended several French movies where the club members had practice in following rapidly-moving conversational French.

The Thomas Jefferson choral groups, the A Cappella Choir and the Rebelaires, are among the most active in the school. Called upon for all manner of assemblies and extracurricular activities, the Choruses are always ready with a scintillating rendition or two. They have sung for the Texas State Teachers Convention this year, participated in the All-City Community Music Festival, the Easter program, and the Band Concert. This year also they sponsored the First Annual "Chorus Capers," a musical review that is to become a tradition at Thomas Jefferson.

LOIS RISLEY, *Director*

"We can make beautiful music . . . " Dwain Mincy and Nella Pitts warble one of the numbers for the various choral programs presented during the year.

The Blue Rebel Band kicked off the musical season at T.J. with the half-time show at the first football game, and devoted all its efforts for the next twelve weeks to the production of such shows. Toward the end of the football season, it represented T.J. in the Band Day proceedings at North Texas' homecoming.

A few weeks after the close of football season, the Band and A Cappella Choir joined in a concert for the Texas State Teachers Association.

The Band introduced the Christmas spirit downtown in the Annual Christmas Parade, and soon after performed an outdoor concert at E. M. Kahn's in the Inwood shopping village. Also during this time, members of the band participated in try-outs for Regional and All-State Bands in Ft. Worth. Six were selected to play in the Regional band, and of these six, two were selected for membership in the All-State convention in Galveston later in the year.

The Band's activities reached a climax in March, with the first annual Band Festival at Thomas Jefferson, in which five city bands and the SMU Concert Band participated.

The Choir and Band later joined forces for a final concert.

The Band culminated its activities with a banquet at the end of the year, the last of several all-band social functions.

OUR FIRST FOOTBALL

Another tradition was established at Thomas Jefferson this year with the crowning of the first Football Queen. Nominees were chosen by the team, and presented at the Woodrow game, last of the season. Six senior girls were eligible for the crown, and two junior princesses, Jill Maxcy and Donna Devaney, were chosen attendants. The big moment arrived at a cold and windy halftime ceremony, as the court passed through the honor guard of drill team and R.O.T.C. cadets. Amid much suspense, the football captains revealed that Doan Simmons had been voted by the student body to become the first Football Queen of Thomas Jefferson High School.

Surprise! Doan wins!

Each of the nominees was presented a corsage . . . be careful of Sandina's leopard there, Carl!

Ticket sales have also increased with the aid of the club; in the future, the school spirit of Thomas Jefferson will undoubtedly be kept on top through the effects of this group.

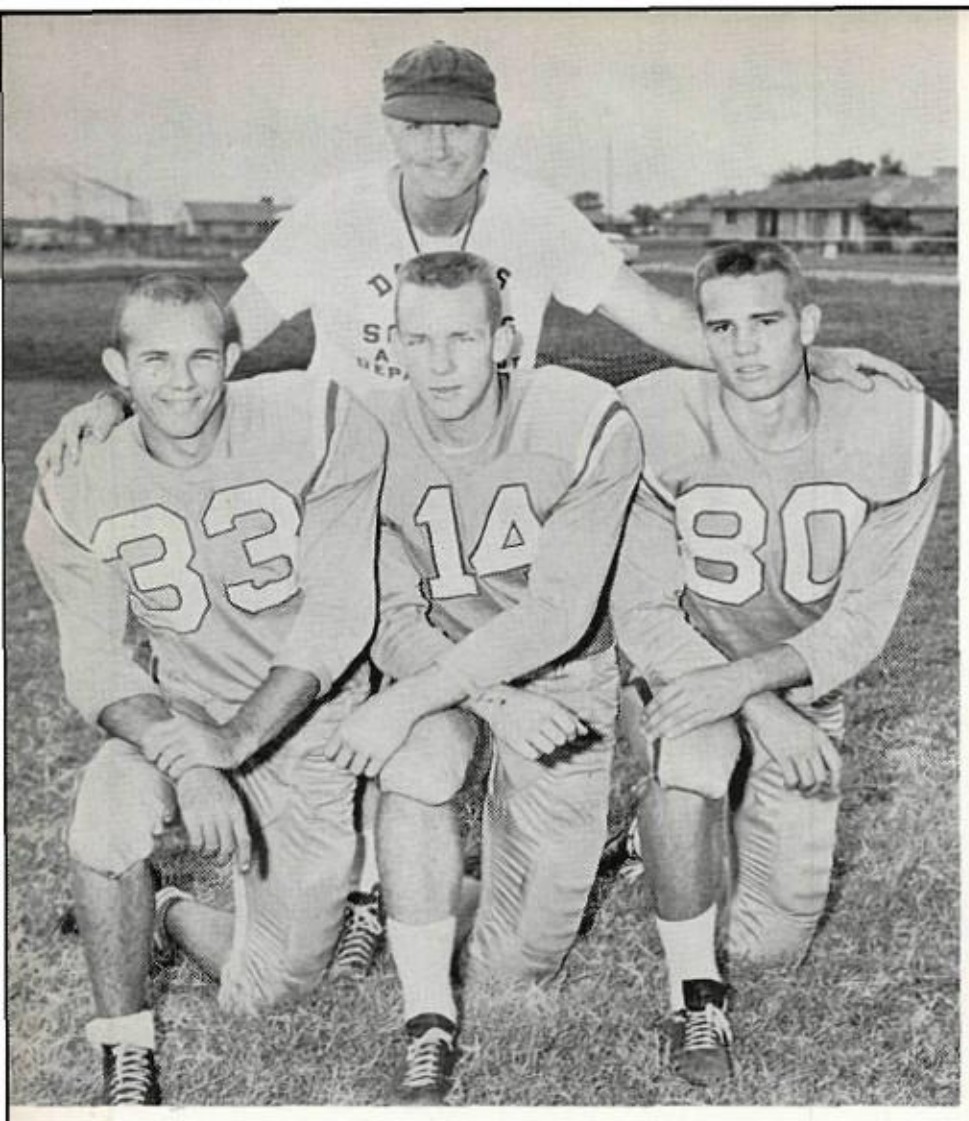
FOOTBALL — 1958



Coach Herman Cowley; Tri-Captain Terry Richardson, George Seay, Buddy Nichols.

This year the Thomas Jefferson football team placed a close second in the district competition, losing only to State champion Highland Park. The Rebels, using their lightning aerial attack, powerful running, and solid defense, handed in a district record of three wins and one loss.

Behind the bulwark of the Rebel line, fortified by Joe Miller and Johnny Jessup, playmaker George Seay led the Rebels to victory after victory in spite of being hounded by the ever present flu-bug. The Rebels can indeed be proud of their first year of district competition.

REBELS SOCK S. O. C., 39-0

Dallas, Texas, September 13, 1957—Led by George Seay, the Rebels showed complete control of the situation as they beat the South Oak Cliff Bears in the season's opener, 39-0.

The first drive began with a 76-yard march spearheaded by Richardson, who accounted for 48 yards. After a pitchout around right end for the score, the Rebels missed the extra point try.

The two SOC threats came at the mid-point of the game. The first was stopped by the Jefferson defense, and the second died as the Bears fumbled.

Sparked by the reserves, the Rebels scored twice in second-period play.

Miller, Daniel, and Hudson were stand-outs on defense play.

TECH FLOATS BY JEFFERSON, 7-0

Dallas, Texas, September 21, 1957—On a rainy night at Cobb Stadium, the Rebels lost a close one to the Crozier Tech Wolves.

Neither team could score in the first half, although the Wolves retained possession of the ball almost entirely. The Rebels twice made terrific goal-line stands to fend off Tech threats. The Rebels managed to move the ball to the Tech 44, but time ran out in the first half.

The only score came in the third quarter, as Crozier scored on Holden's drive from the 1-yard line.

Rebel defense showed promise throughout the game.

Dallas, Texas, October 4, 1957—Sparked by Gidden's three thefts of the Bison pigskin, the Rebels scored a 19-6 upset over the favored Sunset eleven at Sprague Field.

Jefferson's first TD was set up when Giddens recovered a Bison fumble after Williamson jarred the ball loose. Two minutes later Nichols pulled in a pass from Seay for the second Rebel score.

Sunset's only score came on a pass play.

Ron Jones accounted for the final TD on a six-yard run, as Williamson made the evening's only conversion. Giddens intercepted two Bison passes and recovered a fumble.

FLU AND ODESSA TRIUMPH, 47-0

Odessa, Texas, October 11, 1957—The flu bug proved too much for the Rebels as they lost to Odessa 47-0. Deprived of the services of outstanding quarterback George Seay, Jefferson found their five fumbles costly. It was Odessa all the way as they scored one touchdown in each of the first three quarters and then exploded for four in the last quarter.

In the long run, fumbles proved the decisive factor in determining the score, which was a real heartbreaker.

JEFFERSON BOWS TO BULLDOGS, 18-14

Dallas, Texas, October 17, 1957—Damaged by the absence of eleven players, Jefferson bowed to the flu and North Dallas at a close game at Cobb Field.

Jones took the opening kickoff and scampered 52 yards down the sidelines to the Bulldog 30. Eight plays later, the Rebels scored on a pass from Bailey to David Jones. Bailey converted.

The second touchdown came on a 3-yard plunge by Benson. Bailey converted again to end the Rebel scoring.

A late Bulldog rally saw the score 18-14, but the Rebels almost pulled it out of the fire until an intercepted pass ruined the last-minute drive.

REBELS DUMP SAMUELL, 21-7

Dallas, Texas, October 24, 1957—The Jefferson Rebels brought the total to three wins and three losses as they defeated the Samuell Spartans, 21-7, at Pleasant Grove.

In the first quarter, Jefferson controlled the ball and made the first score. In the second quarter, the tables were turned as Samuell scored, and the half ended with a 7-7 deadlock.

Jefferson moved to the Spartan 13 after the second half kick-off, but Samuell intercepted a Rebel pass. The Spartans were forced to kick and Jefferson moved in to the score with Seay on a quarterback sneak.

Jefferson scored again in the fourth quarter as David Jones reached goal-dust from the one. Bailey made all three extra points.

Dallas, Texas, November 1, 1957—The Rebels bowed to state champion Highland Park in their first and only loss in district play.

Brilliant passing accounted for most of the Scot scores, with Reed and Jones proving a fatal combination to Rebel defenders. A total of 201 yards in the air was racked up against Jefferson in the devastating passing attack, although Jefferson connected for ten of their own.

AERIAL CIRCUS TAMES ADAMSON, 33-6

Dallas, Texas, November 8, 1957—The Jefferson Rebels appeared to have mastered the aerial attack, as they scored for four touchdowns against Adamson at Cobb Field.

After fumbling twice in the first quarter, the Rebels got down to business, as a 46-yard pass from Seay to David Jones brought the first score. The first conversion was missed, but Bailey made three others good for the night.

Seay tossed TD passes to Bailey and to Ron Jones in the second period, and to Nichols with seven seconds left in the game. The only score on a drive came on a 1-yard plunge by Benson.

REBS RUIN HILLCREST HOMECOMING, 20-13

Dallas, Texas, November 15, 1957—Trying to keep District title hopes alive, the Rebels defeated Hillcrest at Franklin field, 20-13.

Jefferson took the opening kick-off and drove for a touchdown on a pass from Seay to Nichols, and Bailey added the extra point. The Panthers then tied it up, and, in the second quarter, scored again after recovering a touched punt.

In the second half, Jefferson was king. Thomason recovered a fumble on the Panther 8-yard line, and Seay then passed to Bailey for the score. Bailey converted to make it 14-13. A fourth quarter score put the game on ice.

JEFFERSON CHILLS WILDCATS, 33-13

Dallas, Texas, November 21, 1957—The Rebels brought the season to a fiery finish on a cold winter's night at Franklin field in defeating Woodrow Wilson, 33-13.

The Rebels' total offense was a whopping 501 yards gained. The first score was set up by Thomason's recovery of a Wildcat fumble on their 20 yard line. Five plays later Seay scored on a four yard run. Bailey converted successfully the first of three times. Richardson made the next touchdown on a one yard plunge, and Benson then did the same. The next two Rebel tallies came on passes from Seay, one to Nichols and one to David Jones. The Rebels had cinched second place in their first year of district play.

BASKETBALL — 1958

Rebel round-ballers turned in a very respectable performance in their second year of AAAA competition, losing by a narrow margin to city champion Woodrow Wilson. The record for the season was 20 wins to 9 losses, with prospects even brighter for next year. Coach Porter finds himself in a fortunate position with the entire squad returning, and Jefferson no doubt will continue to threaten as a power in city competition.

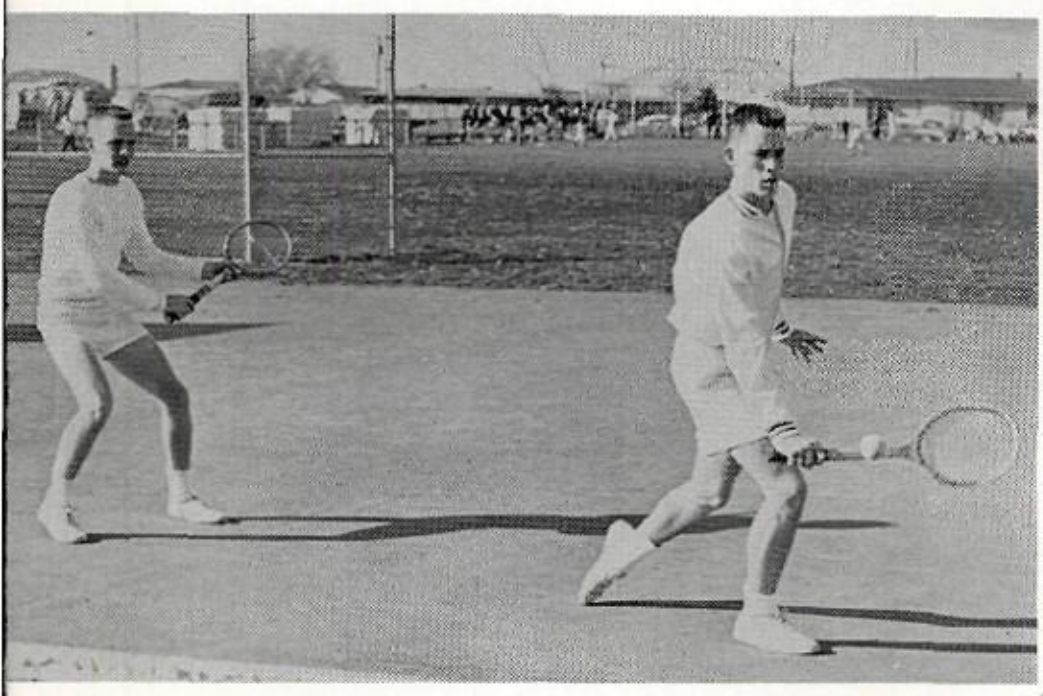
TENNIS

With one successful season behind them, the members of the tennis team have been able to pick up a great deal of valuable experience which should aid them in making a name for Jefferson in future competition. This spring the team also sponsored its first tournament, the Annual Thomas Jefferson Invitational Tournament.



Bill Proctor and Mike Amis anticipate a successful season for Jefferson,

BASEBALL — 1958

Spring gets underway with Rebel Baseball prospects in full bloom. Although the DOCUMENT goes to press before the regular schedule begins, indications are that Jefferson should be a real power in city competition. Such stand-out players as Bobby Wilson, All-City Outfielder, and versatile Joe Miller, who doubles as catcher or pitcher (good trick, eh?) should assure the Rebels of an outstanding season.

Coach Floyd Mechler discusses strategy with Bobby Wilson, 1957 District Batting Champion and All-City Outfielder.

GOLF — 1958

VARSITY GOLF TEAM

Bob Walner, Pete McKenna, Eddie Dayton, Bob Ransdell, Jay Ferguson, Jimmy Smith.

TRACK — 1958

Prospects are excellent for the 1958 Jefferson cindermen. With such standout lettermen as Terry Richardson, Tommy Lea, and Bob Clinger returning, Coach Kirk can expect a fine showing in city competition. As the yearbook goes to press, Jefferson thin-clads triumphed in the opening meet, racking up a thumping 70 points. In the pole vault and distance departments, Carl Box and Alfred Taylor are expected to add to Jefferson's point totals, as well. Taken all in all, the Rebels ought to be strong contenders for the City Title.

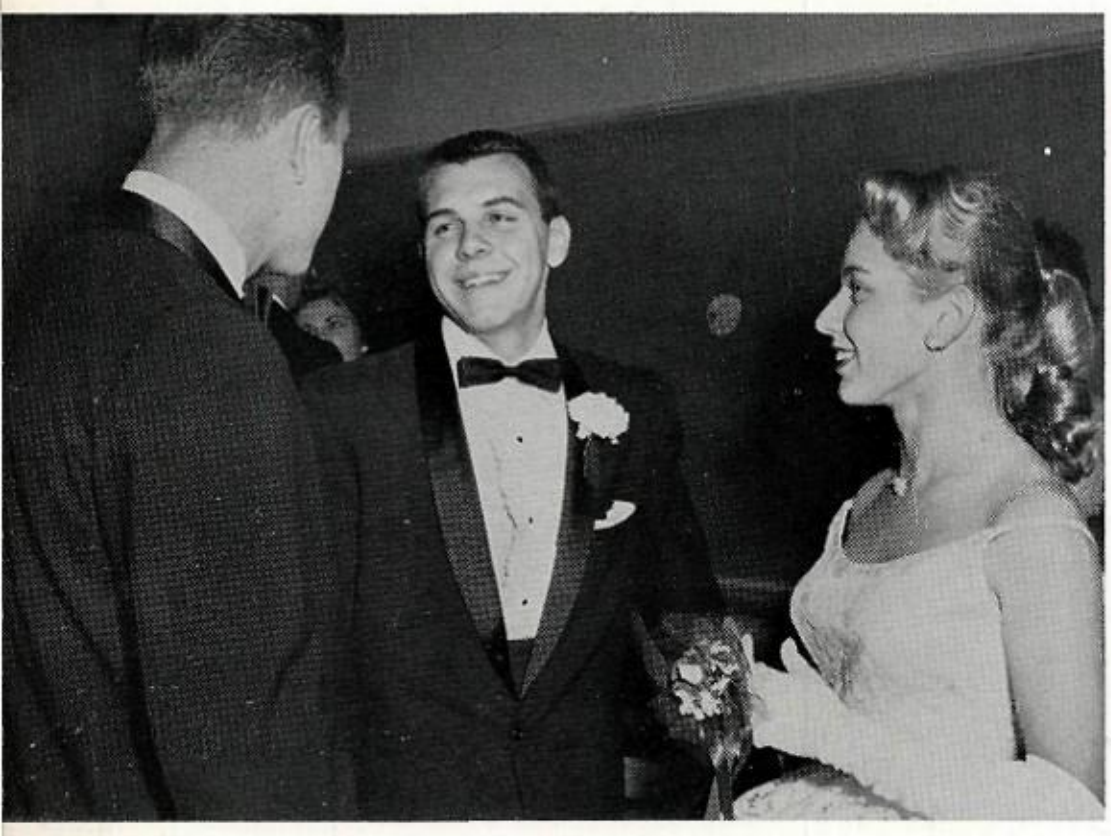
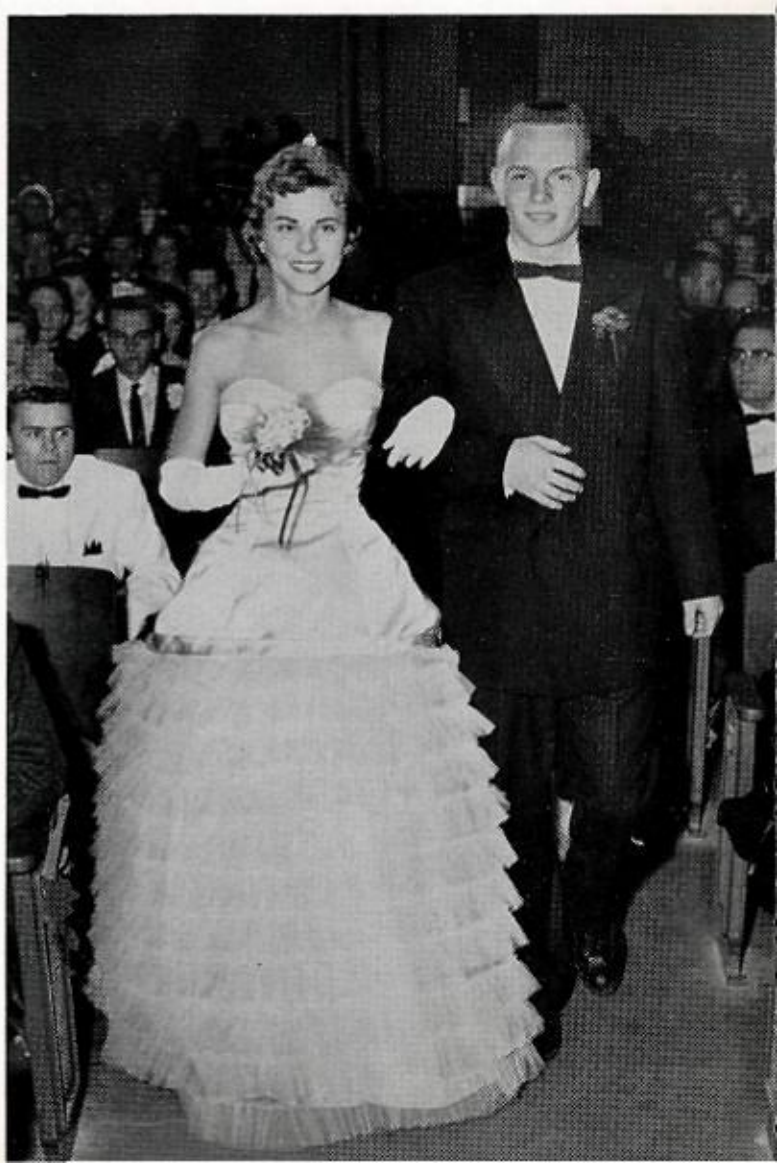
Ron Jones never mugs the camera!!!

ONE OF OUR "HEARTIEST" MOMENTS . . .

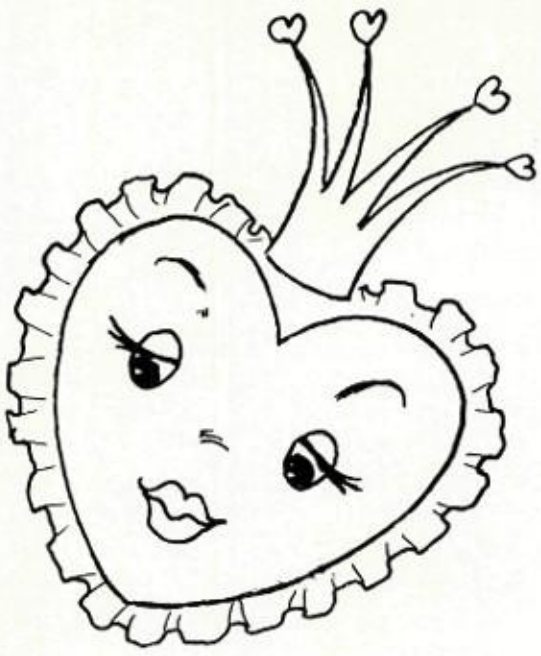
BEFORE THE CORONATION, the Ladies and their escorts: Larry Jackson and Barbara Martin; Bob Rippy and Linda Weiler; Gary Lawrence and Anne Hyman; David Jones and Elizabeth Hollweg; Carl Box and Sandina Montanio.



JACKSON LAUGHS NERVOUSLY . . . "Sure, I got this all figured out" . . .



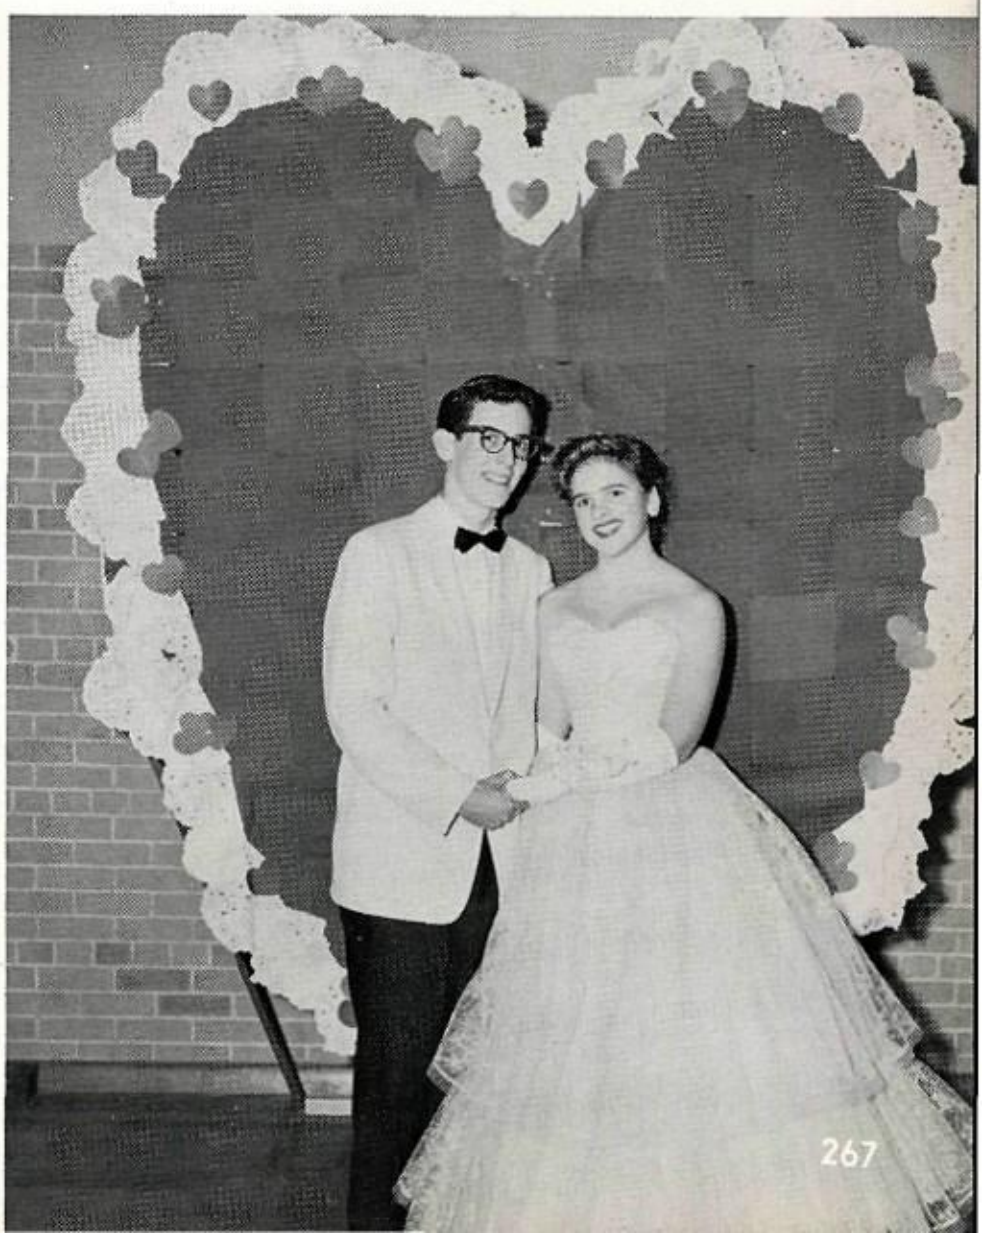
. . . "But WE know who's going to win!" say last year's Queen Doan Simmons and Editor Bill Proctor, as they come down the aisle to reveal to all who will be the 1958 Sweetheart.



Yep, it's Linda Weiler! Roses for her majesty, brought by Linda de Pasqual.

"Tee hee hee! I won!"

. . . THE VALENTINE CORONATION AND DANCE!



Bob Ransdell and Martha Meyercord pose at a heartfelt moment of the dance.

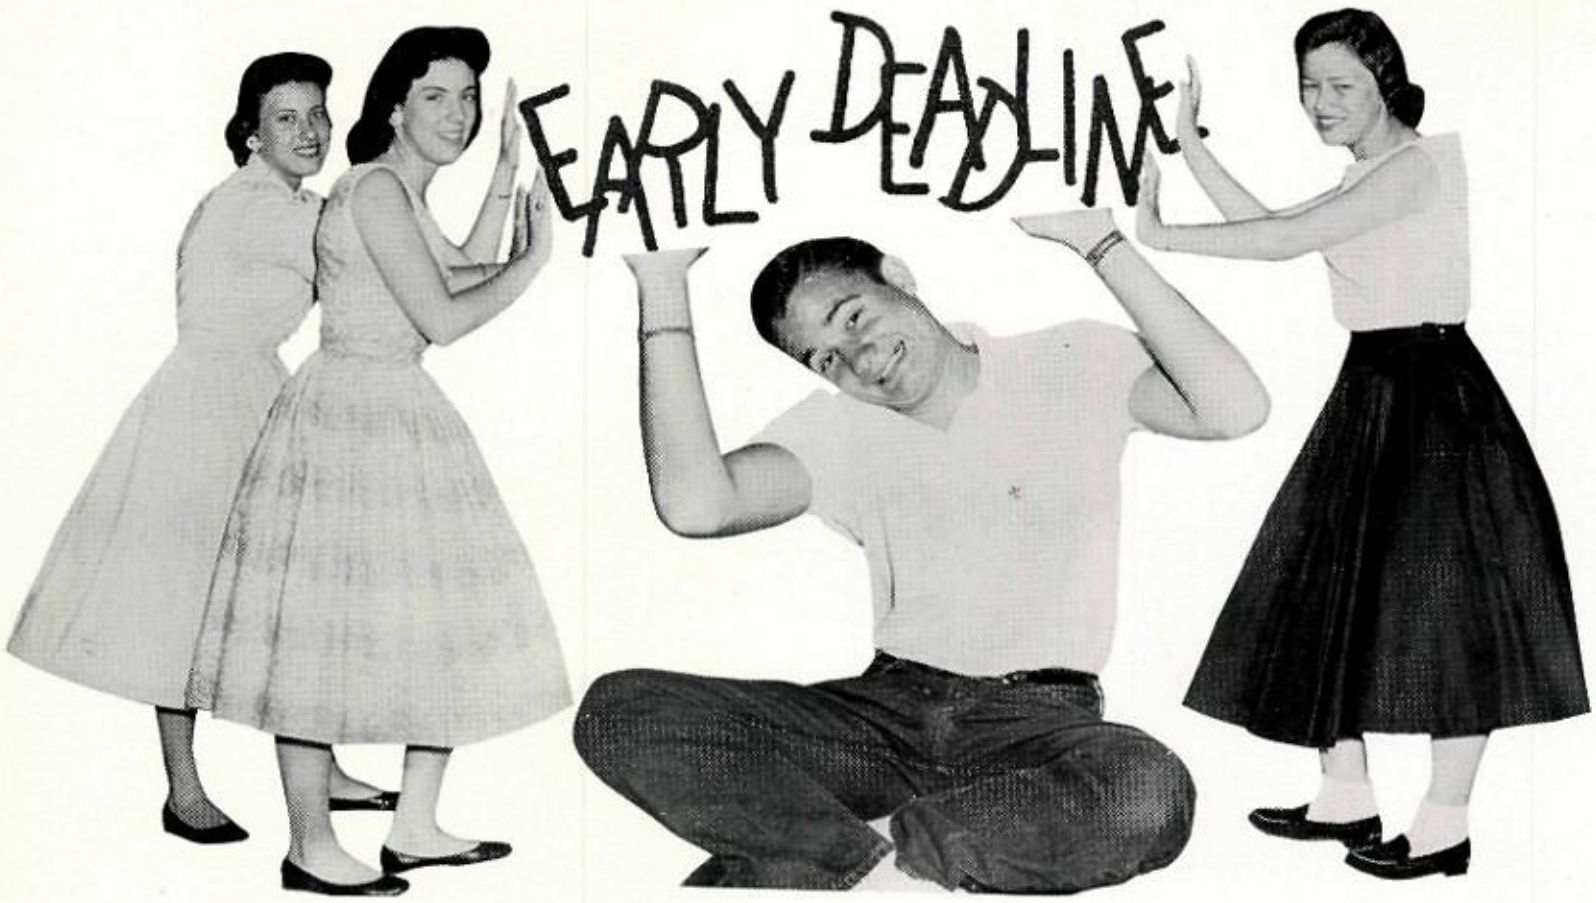
VOLUME II



Hey, what is this summer supplement jazz?

"What! Time for the supplement? Glub!" Summer staff members Norma DePasqual, Diana Gibson, Janet Wenger, and Jane Donald register martyrdom. One sleepy eye of Ann Stooksberry is visible behind Norma, while Editor Steve Schlossstein was out looking for a whip.

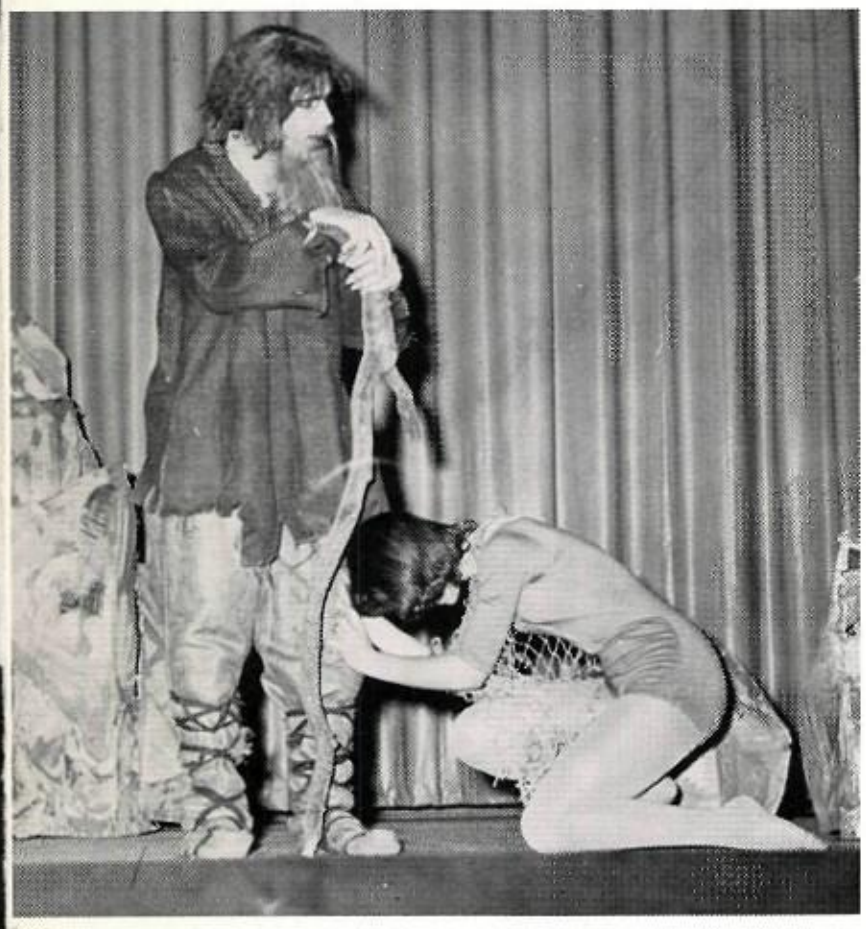
Deadlines, deadlines! All year long the Annual staff is steam-rollered toward the inevitable day in March when all of the book must go to the printer. Naturally, life doesn't stop around TJ just because the yearbook has gone to press, though. So—having recuperated from distributing the glorious product of the year's endeavor, some of the staff nobly undertake to put out this sample of the end-of-year activities. (We pause here for a moment of silence in honor of their sacrifice.) Of course there isn't room for everything; but the staff hopes that you will enjoy the cross section selected to represent the spring's activities.

The sort of thing we want to remember—Honors day brought recognition to the deserving graduates, such as Lynette Taylor, here receiving the Quill and Scroll trophy from Mr. Ferrell.

AH, SPRING!

Spring saw the installation of the Thomas Jefferson chapter of the Spanish National Honor Society. Here Sandy Barton, Stewart Bynum, Mary Margaret Glew, and Pat Thomas receive their membership.

Seniors, Juniors, and Sophomores desported themselves merrily at the daisy-littered Spring Frolic.



Dick Newton and Donna DeVaney, both of whom received honors in city competition, accompanied the one-act play "Ondine" to the state contest.

Omnipresent Balfour representative Charles Wilson helps prospective Seniors order their rings. Excitement!

P.S. from Annual Staff to said prospective Seniors: Have you had your picture made? (Grr!)

Ouch! Here we go again! The spring football game shows prospects for next season—of course we'll win!

OUR FIRST CITY CHAMPIONS

Front row: Henry Suche, Jim Story, Dale York, Ron Jones, Orville Hudson, John McBride. *Second row:* Manager Bill Wilkinson, George Ley, Jerry Brown, Jerry Huffer, Hart Dinkins, Richard Westbrook. *Third row:* Coach Floyd Mechler, Bobby Wilson, Ronnie Chapman, David Jones, Joe Miller, Bud Nichols.

Coach Floyd Mechler's 1958 Rebel baseball team brought to Thomas Jefferson this year the first city championship. As the cover indicates, the team, and of course everyone else, is quite proud of that trophy! Finishing the regular season with a 5-1 record, the Rebels' final smashing triumph over Highland Park brought sweet victory in district play. In city competition, hard-fought contests with Sunset saw the Rebels come out tops in the pitching duel. Unfortunately Lufkin hindered Jefferson's hopes for State, but next year's prospects for State are great!

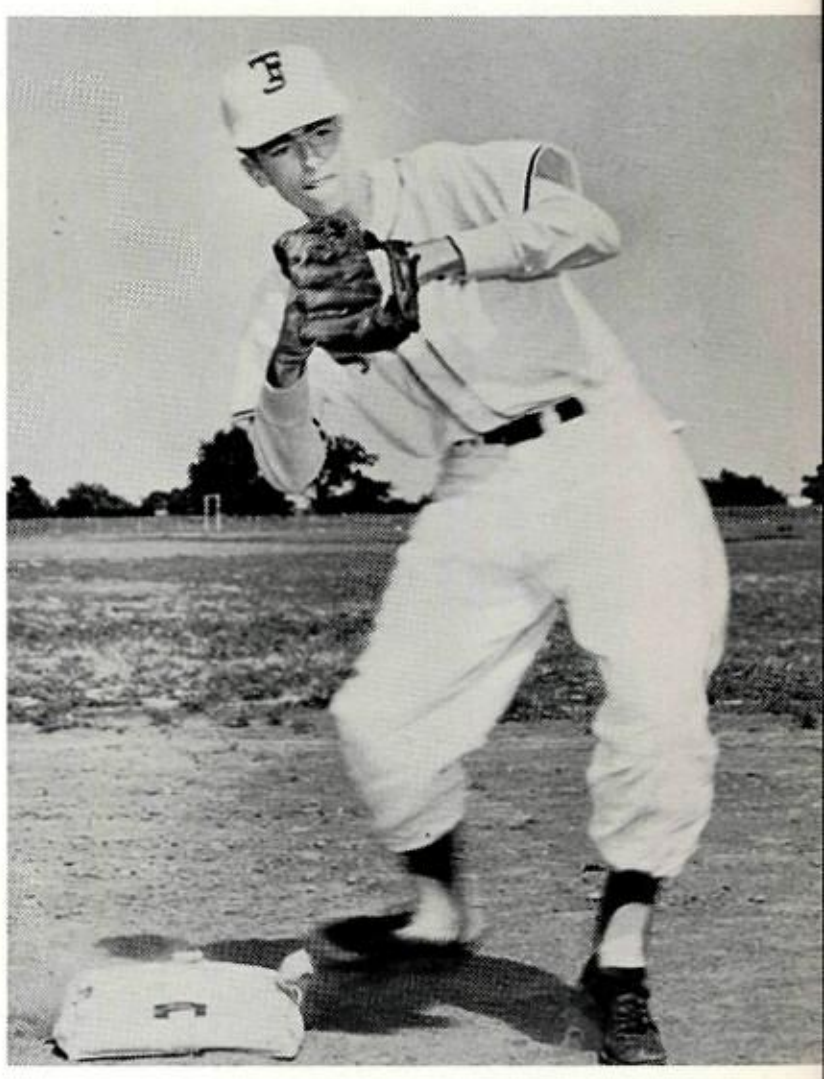
SPORTS FOOTNOTE . . .

BASEBALL TEAM TRIUMPHS

Mrs. Snell observes new angle of game acutely.

"On, Rebels!"

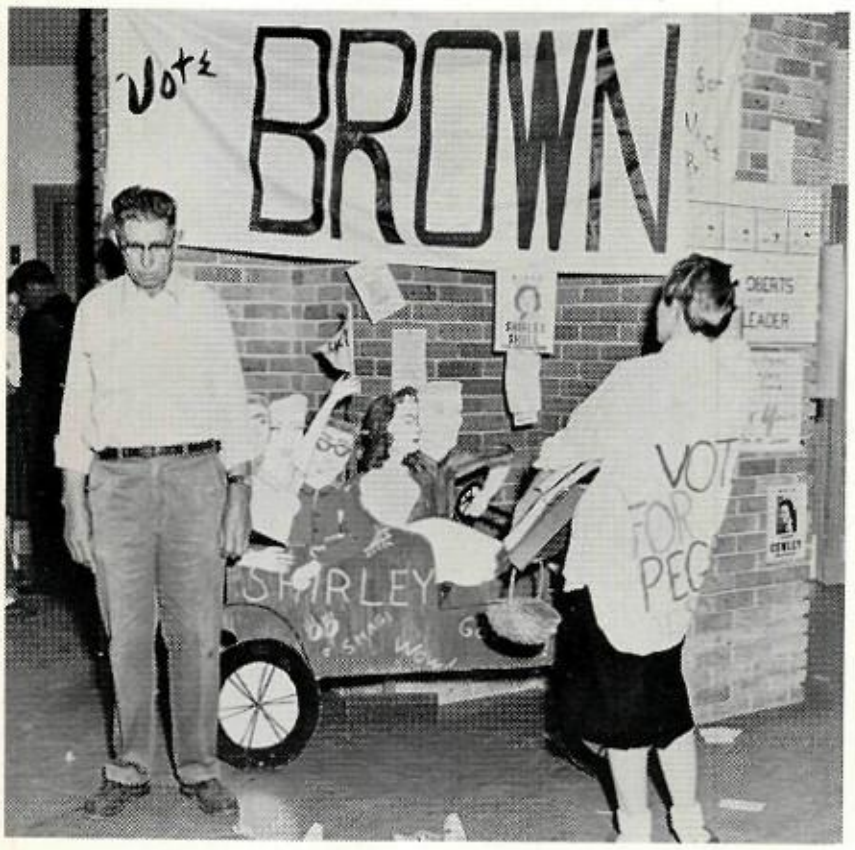


Dale York was one of the stand-outs throughout the season.

Heavy Rebel bats—graduating seniors David Jones, Bobby Wilson, and Ron Jones.

Sadie Hawkins Day Dance: When the moonshine's over the mountain . . .

Well, it looks as though everybody caught her man except Mary Margaret Glew, doesn't it. Better luck next time.



Elections . . . maybe we need a "cleanup" campaign?

And she won, too!

Rah Rah! Cheerleader hopefuls line up at the conclusion of the election assembly. Student body officers elected were Bill Proctor, *President;* Jerry Brown, *Vice-president;* Donna DeVaney, *Secretary;* and Nancy Clements, *Treasurer.*

New cheerleaders Claude Martin, Gill Clements, Bob Roberts, Sue Parker, Jenny Cowley, Jill Maxcy, and Jo An Young try their stuff.

Everts' Award winners Carole Hodges, Mary Margaret Glew, Diana Gibson, Betty Dunlap, Martha Childers, Ronnie Chapman, and Valerie Brown seem understandably pleased!

"Come wiz me in my little red Afa-Romeo, Baybee . . ." Ingram hands Gibson line at Senior All-Night Party.

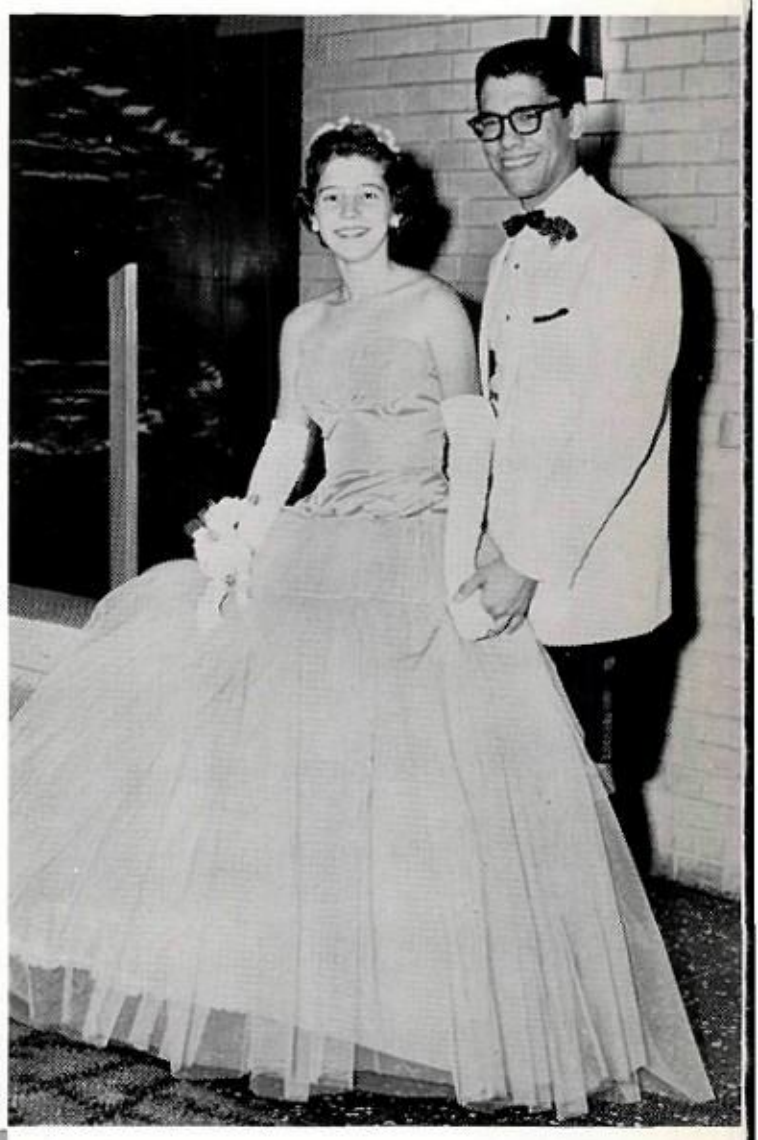
Senior Play: Dick Newton, Carole Hodges, and Ginger Mott star in *Cheaper By the Dozen.*

"Hooray, we're gonna get out!" Buddies assist Harold Smith to get up in the world.

SENIOR PROM

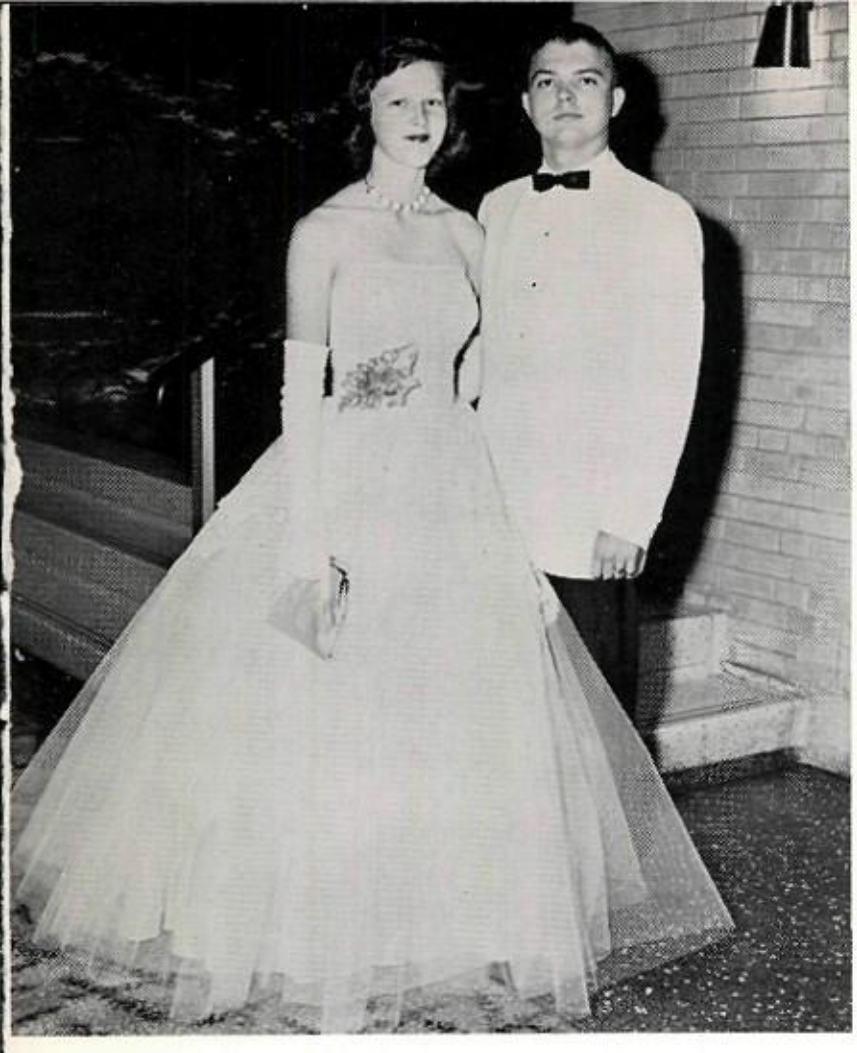
(Amid much festivity,) Thomas Jefferson's first Senior Prom was held May 16 at the Junior Ballroom of the Statler-Hilton Hotel. To the scintillating strains of Roland Drayer's orchestra, the beautifully gowned and tuxedoed gathering danced till the wee hours, making memories to be treasured in future years.

Marydel Jacobie and Larry Dunlap—one of the many happy couples at the prom.



Ed Davis, Beverly Wey, Linda McClellan, Joe Tomlin, Cynthia Smith, and John Ingram preserve selves for posterity in their moment of glory.

"Spread your dress a little farther, Rozzie, my knees still show" . . . Jud Gee turns up in typical attire.



Evelyn Poyser and escort display dignified senior pose.

Traditionally, Senior Proms are made beautiful by the lovely dresses and the lovely girls, such as . . .

. . . NORMA DePASQUAL

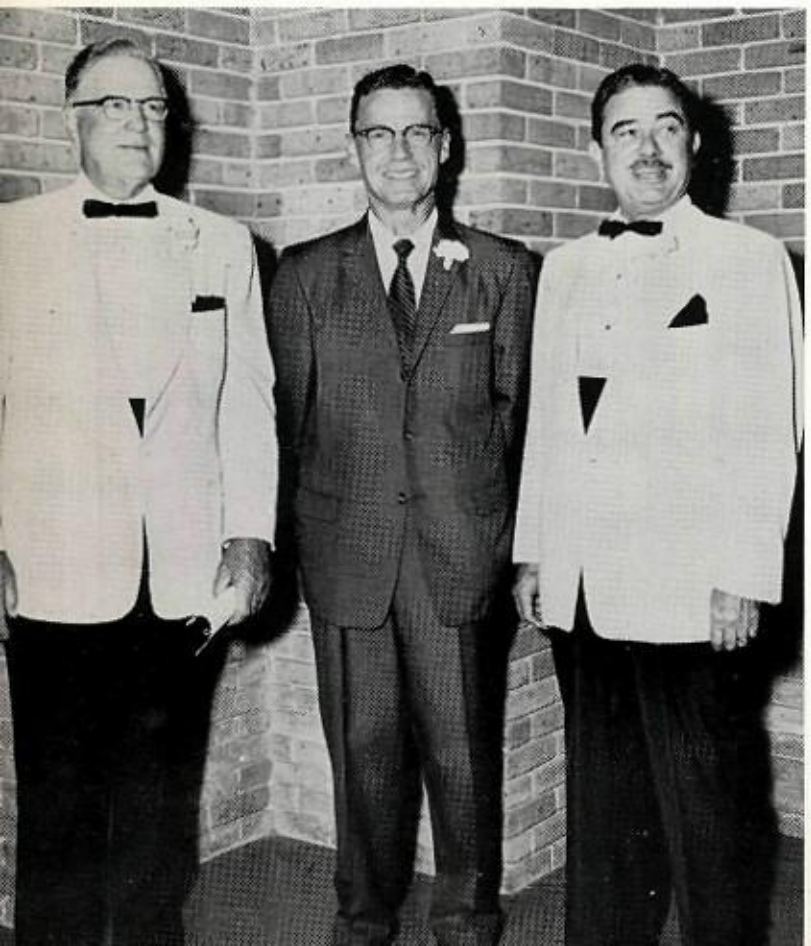
. . . DOAN SIMMONS

. . . BEVERLY WEY

Each Senior girl presented Mr. and Mrs. Stroud with a carnation compliment at the grand march, creating a moment of pageantry.

THE SUPREME MOMENT . . .

The Auditorium was a blaze of red flowers and blue robes . . . the music swelled out the solemn dignity of the occasion . . . at last graduation had arrived!



In honor of our first graduation, Dr. W. T. White, Superintendent of Schools, gave the address, and Dr. Edwin L. Rippy, President of the School Board, presented diplomas. Mr. Stroud poses with justifiable pride with the distinguished guests.

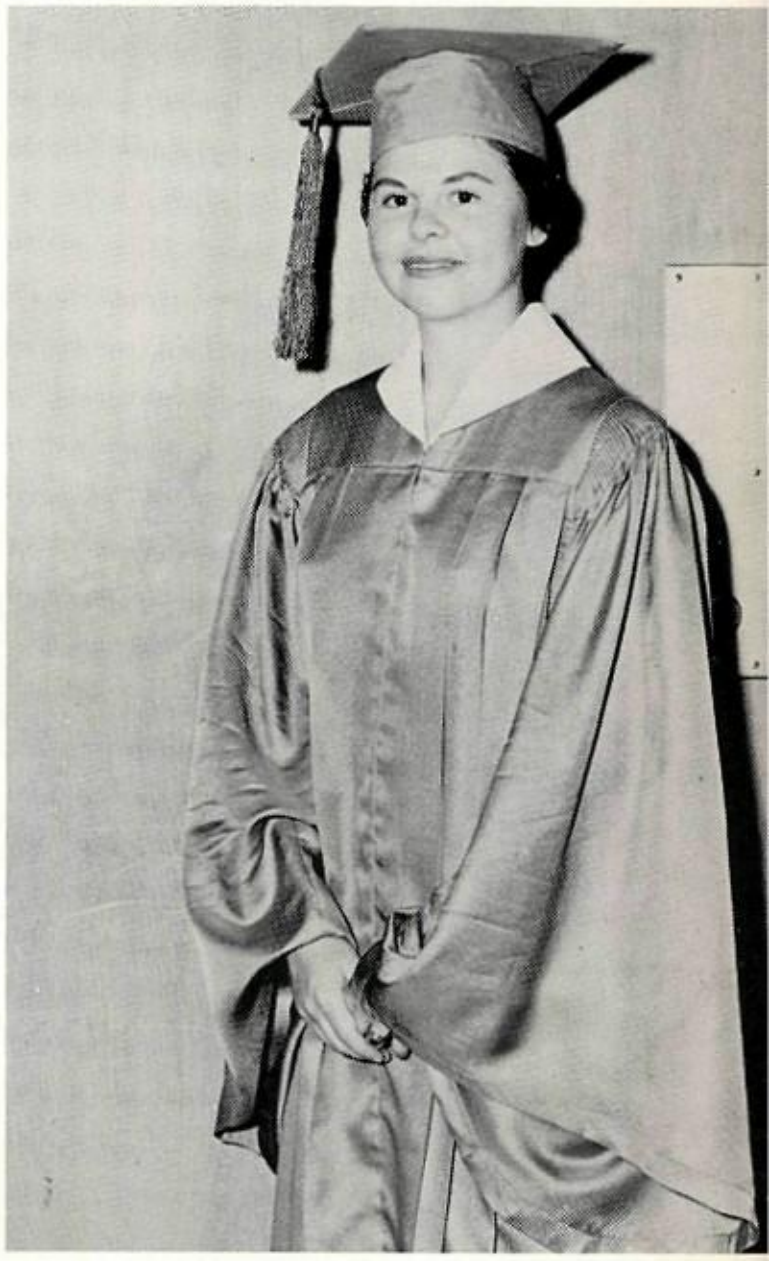
John Stewart's smile of triumph speaks for the class!

. . . GRADUATION!

"Look Pop, I made it!" Jimmy Pearson and Bob Rippy display triumphant smiles, tinged perhaps with relief?

Barbara Yates, Salutatorian, receives her diploma from Dr. Rippy. Carole Hodges was also named Valedictorian.

"This is something to call home about!" says Sandy Stearn.



Jefferson is proud to have graduated a wonderful exchange student, Ann-Lis Thobo-Carlsen, from Denmark. Best of luck, Ann-Lis!
